MAP No. 8 VEGETATION

VEGETATION

Murray Valley Area

1:250 000

Land Conservation Council Victoria

LEGEND

Structural form	Map symbol	Major species of tallest stratum	Associated tree species	Common species of lower stratum
Open forest III (25–40m height)	1a	River red gum	Generally as pure stands, occasionally with yellow box, grey box	Warrego summer grass, terete-culm sedge, blown grass, moira grass, swamp wallaby grass, common spike rush, knotweeds, common sneeze weed, joy weed, couch grass, flat sedge, wallaby-grasses
	1b	River red gum regeneration on plains		As for Unit 1a
Open forest II (15–28m height)	2a	River red gum	Generally as pure stands, occasionally with yellow box, grey box, black box	Often as for Unit 1a; gold-dust wattle, spear-grasses, common wheat grass, windmill grass
	2b	Blakely's red gum	Red stringybark, long-leaf box, red box, white cypress pine	Wallaby-grasses, daphne heath, kangaroo grass, silver wattle, cat's claw, raspwort, austral grass-tree, rock fern, drooping she-oak, black-anther flax-lily
	2c	Red ironbark	Grey box,red stringybark, red box	Wallaby-grasses, lussock grass, golden wattle, spreading wattle, varnish wattle, lightwood, daphne heath, peach heath, gorse bitter-pea, black-anther flax-lily
	2d	Red stringybark	Red box, long-leaf box, Blakely's red gum	Wallaby-grasses, daphne heath, wattles, austral grass-tree, guinea flowers, fringe-myrtle, raspwort
Open forest III -- woodland III (28–40m height)	3a	Yellow box	Grey box, river red gum, white cypress pine, buloke	Wallaby-grasses, blown grass, daisies, wire grass, gold-dust wattle, spear-grasses
	3b	Grey box	Yellow box, white box, river red gum	Wallaby-grasses, spear-grasses, berry saltbush, nodding saltbush, variable sida, bluebushes, blown grass, daisies, gold-dust wattle, tussock grass
Open forest II -- woodland II (15–28m height)	4a	Grey box	Yellow box, white box, river red gum, white cypress pine, buloke	Wallaby-grasses, spear-grasses, berry saltbush, variable sida, wire grasses, ruby saltbush, bluebushes, blown grass, various daisies, tussock grass, rushes, sedges, gold-dust wattle, kangaroo grass
	4b	Yellow box	Grey box, river red gum, white cypress pine, buloke	As for Unit 3a
	4c	Black box	River red gum	Wallaby-grasses, spear-grasses, umbrella grass, lignum, five-spined saltbush, saltwort, nodding saltbush, variable sida, bluebushes, blown grass, bluebushes, New Holland daisies
	4d	Yellow gum	Black box	Wallaby-grasses, spear-grasses, wattles, eutaxia, sticky sword sedge, Berrigan, kangaroo grass, cane wire-grass, black-anther flax-lily
	4e	Mixed box species: white box, long-leaf box, red box, yellow box	Blakely's red gum, red stringybark	Wallaby-grasses, lussock grass, wattles, herbs, daphne heath, groundsel, rock fern
	4f	White box	Grey box, yellow box, long-leaf box, red box, Blakely's red gum	Wallaby-grasses, spear-grasses, common cat-grass, New Holland daisies, variable sida, wattles, wingless bluebush, saltbushes
Open forest I -- woodland I (5–15m height)	5a	White cypress pine	Grey box, yellow box, Blakely's red gum, buloke, slender cypress pine	Wallaby-grasses, spear-grasses, common cat-grass, spear-grasses, mat-rushes, wattles, saltbushes, variable sida, New Holland daisies, rock fern, guinea flower
Woodland I (5–15m height)	6a	River red gum	Black box	Wallaby-grasses, spear-grasses, umbrella grass, lignum, nodding saltbush, blown grass, rushes, tussock grass, Warrego summer-grass
	6b	Blakely's red gum	Red stringybark, long-leaf box, red box, white cypress pine,	Wallaby-grasses, daphne heath, kangaroo grass, wattles, guinea flowers, nodding blue-lily, austral grass tree, rock fern, drooping she-oak, mosses, lichens
	6c	Black box	River red gum	As for Unit 4c
Mallee	7a	Dumosa mallee	Yellow gum	Wallaby-grasses, spear-grasses, ruby saltbush, black-anther flax-lily, variable sida, desert cassia, mat-rush
Scrub: Granite outcrop communities	7b	Wattle		Rock correa, wedge-leaf hopbush, nodding blue-lily, snowy mint bush, raspwort, rock fern, wallaby-grasses, spear-grasses, rock isotome

Structural form		Map symbol	Common species
Swamp and marsh communities	Open scrub	8a	Lignum, umbrella grass, blown grass, five-spined saltbush, wallaby-grasses, nardoo, desert cassia, spear-grasses, rushes, saltwort, scattered black box
	Open heath	8b	Saltbushes, glasswarts, seablite, bluebushes, five-spined saltbush, saltwort, umbrella grass, spear-grasses, Dillon bush, sea barley-grass
	Tall closed grasslands	8c	Rushes and reeds: bullrushes, common reed, giant rush, spike-rush, clove-strip, millfoils, floating pond-weed, flat-sedge, water ribbons
Grasslands	Tussock grassland (dry grassland)	9a	Wallaby-grasses, spear-grasses, bromes, sea barley-grass, bluebushes, common cat-grass, blown grass, saltwort, five-spined saltbush, scattered eucalypts
	Low closed grassland (wet grassland)		Moira grass, water-couch, couch-grass, swamp wallaby-grass, lesser joyweed, starwort, knotweeds, swamp isotome, love-grasses; scattered eucalypts
	Volunteer grasslands	9b	Altered sites – introduced species: bromes, ryegrasses, barley-grasses, clovers, canary-grasses, weeds, scattered eucalypts

Permanent or seasonal water

Study area boundary

City, town or borough boundary

New South Wales crown land
