

LAND CONSERVATION COUNCIL  
VICTORIA  
NORTH CENTRAL STUDY AREA  
VEGETATION

Structural form	Major species of tallest stratum	Associated tree species	Common species of lower strata
Open forest II-III	<i>mesquite, blue gum</i>	<i>caulibark, manna gum, yellow box, peppermint</i>	<i>silver wattle, bidgee widgee, common heath, common raspwort, stinking pennywort, small st-johns wort, austral bracken, cotton flowered, prickly starwort, ivy-leaved violet</i>
Open forest II	<i>red stringbark, long-leaf box</i>	<i>brown stringbark, yellow box</i>	<i>thin-leaf wattle, golden wattle, honeyeats, daphne heath, fringe myrtle, erythronium, grey everlasting, button everlasting, stinking pennywort, small st-johns wort, variable sword-sedge, wire rapier-sedge, wattle mat-rush, cotton freeweed</i>
Open forest I	<i>red stringbark, red box, long-leaf box</i>		<i>thin-leaf wattle, aspenfield wattle, silver wattle, golden wattle, honeyeats, common wheat-grass, daphne heath, milkweeds, drooping cassia, blue stars, rock fern, grass butter-pen, red purple-pen, fairy wax-flower, mountain grevillea, silky hakea, button everlasting, banded gorse flower, stinking pennywort, wire rapier-sedge, pink beard heath, prickly brown-heath, cotton fire-weed</i>
Open forest I	<i>red ironbark, red stringbark, red box</i>	<i>long-leaf box</i>	<i>gold-dart wattle, rough wattle, golden wattle, honeyeats, common wheat-grass, early nancy, rayless daisy, blue stars, finger flower, gorse butter-pen, brown bitter-pen, fairy wax-flower, wax-tip orchid, common wedge pen, mountain grevillea, goldenfield grevillea, grey everlasting, slender mine-bush, bush-pen, common hop-rush, salinus sun-orchid, kangaroo grass</i>
Open forest II	<i>red ironbark, grey box, yellow gum</i>		<i>gold-dart wattle, rough wattle, golden wattle, grey beard grass, cranberry heath, daphne heath, sweet boronia, drooping cassia, small crowns, wallaby-grass, wax-tip orchid, goldenfield grevillea, buffeae curlew-bush, wattle mat-rush, soft milliecia, handsome flat-pen, bush-pen, austral grass-tree</i>
Open forest II Woodland II	<i>grey box, yellow gum</i>		<i>gold-dart wattle, golden wattle, common wheat-grass, blue grass, silvery hair-grass, rayless daisy, drooping cassia, centuary, common hillp-buttone, gorse bitter-pen, cut-leaf goodenia, common raspwort, tiny star, road rush, wattle mat-rush, yam-daisy, soft milliecia, bush-pen, nodding saltbush, kangaroo grass, hairy fringe lily, deer's armpits, slender water-lily</i>
Open forest II Woodland II	<i>river red gum</i>		<i>blown grass, swamp wallaby-grass, common spike-rush, ivy goodenia, water millail, slender rice-flower</i>
Woodland I	<i>hill gum</i>	<i>yellow box, long-leaf box, grey box, yellow gum</i>	<i>lightwood, silvery hair-grass, neckless fern, silky holnet-orchid, kidney weed, chocolate lily, common spike-rush, persim bands, raspwort, stinking pennywort, waxy rush, early butter-pen, wattle mat-rush, weeping pittosporum, bitbrash</i>
Open Scrub	<i>half mallee, green mallee, blue mallee</i>	<i>kangaroos mallee</i>	<i>gold-dart wattle, wallows, mallee wattle, golden wattle, silvery hair-grass, soft aspenfield, brown backbill, daphne heath, drooping cassia, slaty shauak, centuary, rock fern, small-leaf wax-flower, wax-tip orchid, sticky podochilus, mountain grevillea, common raspwort, flat-leaf logania, wattle mat-rush, cross-leaf honey-myrtle, brown honey-myrtle, scarlet mist-bush</i>
Plantation			
Cleared land, grassland			

HEIGHT CLASSES I Less than 15 metres (less than 50 feet)  
II 15-25 metres (50-80 feet)  
III 25-40 metres (80-130 feet)
