Notes: 1. This map shows final recommendations for three districts previously studied separately. The map also incorporates changes in public land, including purchases for conservation and softwood production purposes, and land exchanges, which have occurred since the previous final recommendations were published.
2. The Mount Barlow park addition has been approved by the Government as part of the Alpine National Park.
3. This includes areas that have not yet been planted (refer to text for location).
Some reserves cannot be accurately defined at this scale. These reserves are described in the text and approximate locations are shown on this map by a coloured dot, e.g. ● D9
