Subject Use of Crown owned land in Moreland

To Whom It May Concern:

I am writing to urge the Victorian Environmental Assessment Council to recommend that Crown owned land in Moreland, including the Edgar's Creek Parkland, be handed over to Moreland Council free-of-charge on the proviso that it is managed as public open space. As a resident of Moreland Council I feel that open spaces in our high-density council are precious and need to be preserved so that we can all enjoy them.

I hope you will propose this outcome to the Victorian Government for the good of all Moreland residents.

Yours sincerely,

Lauren Baker
