

**Map A Angahook-Otway Investigation  
Final Recommendations for Public Land Use**

**NOTES**  
 1. This map is based on the VicMap Digital Crown Land parcel layer. Numerous small parcels (generally less than 1 ha) are not shown.  
 2. Public land outside the study area including the Alcoa lease area and coastal reserves below low water mark, is shown with land use as approved or varied by government following earlier investigations.  
 3. Areas leased or licensed for plantation purposes are excluded. Areas vested in Victorian Plantations Corporation but not licensed remain in the study area.  
 4. For details of numbered recommendations see text.
